

LRFC.POL.009

REGISTRATION PART PAYMENT PLAN

1. Purpose

Lochinvar Rovers Football Club (LRFC) understands the burden that families are under in this current economic environment. We know that a 100% upfront registration payment can place a financial strain on budgets, especially for those families that have more than one registered player within the club. In previous years, LRFC have accepted part payments for registrations without too much concern, but recent deviations from promised contributions have left the club with no choice but to implement a policy which will allow the club to absorb the pressure while these financial obligations are being met.

2. Requirements

To enter a Registration Part Payment Plan, the player or Parents/Guardians of the player must read this policy, pay the HVA registration component, complete and sign LRFC.FRM.009 and be approved by the LRFC executive committee. Failure to comply with this policy and the required repayments may result in your case being passed on to debt collectors. Additional admin fees and debt collection costs will be added to the amount owing. Failure to repay the agreed amount on time will make the member/player unfinancial and unable to register for LRFC or other clubs. Must notify the Executive Committee of any unfinancial or bad credit history prior to signing the LRFC.FRM.009 Registration Part Payment Plan form.

3. Procedure

Applications to be a member/player of the LRFC must be made online at PlayFootball and accepted by the Registrar of the LRFC.

All Hunter Valley Football Association (HVFA) Fee Components of the LRFC Registration fees must be paid for his/her Nominated Age group before the start of the relevant season.
