

COMMUNITY VOLUNTEER RECOGNITION

LRFC.POL.020

1. PURPOSE

Lochinvar Rovers Football Club (LRFC) seeks to set a precedence in the football community and give back to those who volunteer their time on a regular basis within LRFC. This policy aims to provide the framework that will guide the Executive Committee in providing recognition to hard working community volunteers.

2. OBJECTIVES

The Executive Committee understands that not everyone wants to volunteer or cannot volunteer due to personal commitments. The policy has intentions to increase volunteering numbers, acknowledging those who regularly volunteer and to set a precedence within the greater football community.

3. PROCEDURE

The standing LRFC Committee will receive monthly nominations from LRFC players, parents and visitors, to accompany the Committee nominations. Nominations and supporting information will be gathered and forwarded to the Executive committee for revision.

4. TERMS

Nominations must be provided to the Executive Committee by 8pm on the last day of each Month. Nominations will be reviewed and categorised per section 5 of this Policy.

Monthly winner(s) will be selected for merchandise and/or rebel gift vouchers, provided to the winners the following week.

Accumulated nominations will be used to present end of season "Volunteer of the Year" awards, provide rebates on registrations for them or their child or be presented with merchandise packs, all dependent on the level of volunteered time and effort.

No player, coach or volunteer will be eligible if they have received a red card in the last 12 months or have been suspended by the association or LRFC judiciary system for misconduct.

Nominations must be sent to one of the club representative emails or social media pages, highlighting the nominated person(s) name and the reasoning for their nomination.

Executive committee makes the final decision on all nominations and the awarded points.

To be eligible for nomination, parents, players, coaches and managers of LRFC must:

- Regularly volunteer their time to assist the club and committee in a Winter season consisting of an approximate 6-month period March-September
- Conduct services, cleaning, canteen, setup or other activities; or
- Coach, manage or volunteer referee; or
- Assist the club in any weekly duties that allows our club to operate.
